

INVITATION

MALIST
by Mehmet Ali Uysal

Turkish artist plays with sculpture, photography, painting and architecture

Opening

October 6, 2011 at 7 pm

Yusal is a young and very talented artist on the contemporary art circuit, he has seen his work exhibited in some of the most esteemed art shows around the world and has managed to generate a sound global following of art collectors.

MALIST was commissioned specifically for Q.
All the works are shown for the first time.

"I like to play around with forms", he said. For him, the exhibition space is an inseparable part of his sculptural installations.
