

We would like you to join us on November 11 at 7pm to celebrate our first year anniversary in a grungy, funky Q style party.

To mark the occasion we are launching a series on international photography exhibitions entitled

Q CALLING THE SHOTS

11/11 Volume 1 Architectural photography party@7 PM

The highlight of the evening will be a selection of unorthodox architectural photographs from leading artists

Gregory Buchakjian (Lebanon)

Clara Gebran (Lebanon)

Jeroen Kramer (Netherlands)

Alessandro Rizzi (Italy)

Jocelyne Saab (Lebanon)

Hrair Sarkissian (Syria)

Mitra Tabrizian (Iran)

Ali Taptik (Turkey)

Lale Tara (Turkey)

Nassouh Zaghloleh (Syria)

The exhibition also features a 48-hour live installation ORGANIC TOTEM with the artist Sheila Ribeiro(aka dona orpheline). Dona orpheline will be launching her blog, **Qlog**, based on her artistic encounters and worldwide travel. This celebrated choreographer will live at Q for 48 hours where she will receive, discuss, eat, sleep and interact throughout the day and night with the visitors to build the basis of the blog.

Hope to see you there!

The Q team.
